## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Since its establishment in 1999, Riverside Middle School has accomplished many of the goals set by its newly formed school community. The school community was faced with the challenges of building a unified school climate, working with a critically under-funded budget, and developing a school vision and philosophy. The shareholders - parents, students, staff and community - set about the task of making the vision become a reality. Our accomplishments are many. In 2010, we were named a Palmetto's Finest school, a SC Exemplary Writing School for eleven years, Palmetto Gold Winner 2002-2005, a Red Carpet Award school in 2010, and a PTA Parent Involvement School of Excellence in 2004. Our students' academic achievement has been well documented by a good or excellent rating on the state report card each year since the start of the program. Students participate and excel in local, state and national competitions that represent all aspects of school life including academics, the arts and athletics.

Though always proud to discuss our successes, our faculty, staff, parents and students realize that excellence is a vision and not a destination. Under the leadership of our principal, our school continues to move forward. Through the development of our school portfolio, we have identified goals that we must attain in order to continue to be the best. Funding for the replacement of outdated technology is an ongoing challenge that we continue to address. 100% of our faculty members have achieved highly qualified status. Lastly and most importantly, ensuring academic achievement for ALL students is our highest, yet most challenging priority. As a community, we will continue to assess our progress, adjust goals as necessary, and hold ourselves accountable for meeting these goals through rigorous and intense yearly reviews.
